

Amaia STEPS
Parkway *NUVALI*

THE PROPERTY

*A*maia Steps Parkway NUVALI is Amaia's second project in NUVALI, Ayala Land's 2,290-hectare township project in Laguna envisioned to be the Philippines' first eco-community development.

SITE DEVELOPMENT PLAN

Rising at 5 to 6 storeys per building, Amaia Steps Parkway will have a total of 680 well designed and spacious Studio and Premiere units.

Now, more units are afforded balconies that open to views of thoughtfully planned open spaces.

At Amaia Steps Parkway Nuvali, one can enjoy the luxury of choosing between a well-planned studio or an expansive premier unit.

LOCATION

Situated at the corner of Evolving Parkway and West Conservation Avenue, Amaia Steps Parkway and Amaia Steps Nuvali share in the benefits of a fully master planned development built to support and sustain itself in the long term. Mixed-use developments like neighboring villages, future retail areas and institutional establishments are within reach at a 500-meter radius.

LOCATION

Amaia Steps Parkway and Amaia Steps Nuvali are five-minutes away from the main entrance of NUVALI, along Sta. Rosa-Tagaytay Road. Its main access road is the future Evolving Parkway, a 26 meter major thoroughfare that opens up along Sta. Rosa-Tagaytay Road.

Both projects are highly accessible to and from surrounding towns and cities like:

Sta. Rosa City proper (15 mins) Alabang (30 mins)
 Calamba City proper (15 mins) Makati CBD (40 mins)
 Tagaytay (20mins)

ABOUT NUVALI ESTATE

NUVALI is the country's first eco-community in the Philippines that promises a renewed way of life away from the city. In NUVALI, greens and wildlife flourish amidst economic progress.
