AN ECO-FRIENDLY COMMUNITY

Complete Accessibility and Connectivity

- Access to major road networks for resident's convenience and easier travel around the City.
- Located near transport hubs and terminals for residents who prefer to commute when running errands.
- Bike racks are situated near the village entrance to encourage residents to bike and live a healthier lifestyle

Right-sized Living Spaces

- Lots are relatively bigger, giving sufficient room for future expansion both vertically and horizontally.
- Select units are capable of being combined to accommodate rooms for growth.

Eco-efficiency

- Light-colored facades and roofs minimize the absorption of heat from the sun.
- Patio greens serve as rain gardens to replenish the groundwater supply.
- We make sure that we use endemic plants in our landscaping design.
- We provide ample space for parks and play ground.

Structural Stability

- Roofs can withstand winds up to 300 kph.
- The project is built away from known fault lines.
- The building is equipped with fire-rated materials.
- The project has sufficient grading and drainage system to avoid flood in the area.

CARES

IT'S MORE FUN IN BULACAN

Bulacan is one of the provinces to benefit from the government's infrastructure developments connecting North Luzon, Central Luzon, and South Luzon via Skyway Stage 3 and soon to be developed, MRT-7. This will bring more developments in the area which translates to more business and career opportunities for existing and future dwellers of Bulacan. This will also reduce the travel time going in and out of the Metro for more quality and productive time spent with your family.

Recognized as the land of heroes, beautiful women, progressive cooperatives, small and medium-scale industries, the province is also known to be excellent in making jewelry, furniture, pyrotechnics, hats and garments.

Festivals and Attractions

- Singkaban Festival – September 8-15
- Kneeling Carabao in Pulilan – May 14-15
- Fertility Dance in Obando – May
- Baliwag Lenten Procession – Holy week
